

Classic Ford Mustang Price Decline Q1 2020

After seeing steady increases through the last decade, the price of classic or collector Ford Mustangs (Generations 1 and 2 as well as Shelbys) is on the decline.

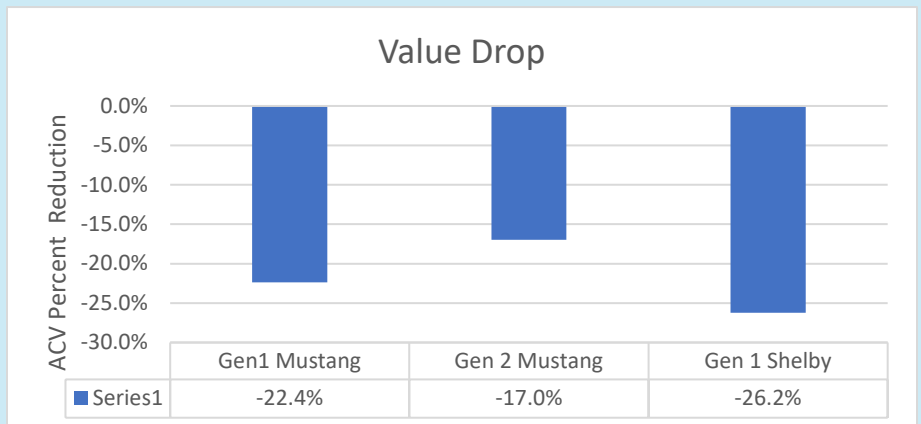

The COVID19 virus has adversely affected the classic and collector car market with a cash value drop as high as 40% for some models.

Ford Mustang Generations

- Ford Mustang 1st Gen 1964 to 1973
