

Poll: Would you Purchase a Vehicle that's been Involved in an Accident?

● Yes ● Yes, but with a very large discount ● Yes, only if it had minor damage ● No, Never ● Unsure, Undecided

A strong majority of respondents said Insurance Companies were unfair during the claim process

73%
Insurer was **UNFAIR** to me.

15%
Not sure

12%
Insurer was **FAIR** to me.

Respondents tended to agree that they are at a disadvantage when trying to sell a wrecked and repaired vehicle

Car dealers will take advantage of me

Vehicle history reports make it easier to eliminate vehicles with prior accidents:

Newer cars lose more value after a wreck

I am willing to invest in an independent appraisal
