

The Body Shop Repair Decline of 2020

Wednesday, February 17, 2021

State-mandated stay-at-home orders and employees working from home during the pandemic significantly decreased the number of vehicles on the road, resulting in fewer accidents and body shop repairs.

Rate of decline in repairable appraisal counts, excluding comprehensive losses, by quarter:

Q1	Q2	Q3	Q4	2020 Annual
-10.20%	-35.00%	-20.20%	-19.70%	-21.30%
