Top 10 Best Selling Cars Of 2022 So Far

Friday, October 28, 2022.

This year's best-selling vehicle list is mostly unchanged from last year's, because we all love the cars that made this list. As supply-chain issues continue to affect dealer inventories, it's difficult to find new vehicles to buy. It can be incredibly hard for people to find cars at a reasonable price, so it's no surprise that many automakers are reporting declines in sales. Anyway, Here the top 10 bestselling cars for the Q3 2022.
