What Cars Do the Highest-Paid College Coaches Drive

Friday, April 05, 2024

For the titans of college football, success isn't just measured in wins and championships but also in the vehicles they choose to drive. These luxury cars, often worth small fortunes, are not mere transports but symbols of achievement, taste, and the rewards of hard work. This journey through their garages offers a unique lens into the lives of the highest-paid college coaches in the US, showcasing how they navigate the roads in style.

The Intersection of Success, Prestige, and High-End Automobiles

Nick Saban: The Champion's Choice

- **Salary:** \$11.4M
- **Cars:** Mercedes AMG GT (\$177,050) & 2023 Ferrari Portofino M (\$250,000)
- **Team coached:** Alabama Crimson Tide football

Alabama's Nick Saban, a titan in college football, pairs his legendary status with two of the most prestigious vehicles: the Mercedes AMG GT and the Ferrari Portofino M, both symbols of speed, luxury, and performance.

1

Mel Tucker: Defining Uniqueness

- **Salary:** \$10M
- **Car:** Polaris Slingshot (\$31,149)
- **Team coached:** Michigan State Spartans football

Mel Tucker's choice of the Polaris Slingshot, with its open-air design and bold styling, is as unique and distinctive as his coaching philosophy, emphasizing innovation and a fresh approach.

Lane Kiffin: The Epitome of Luxury

- **Salary:** \$9M
- **Car:** Rolls-Royce (\$354,750)
- **Team coached:** Ole Miss Rebels football

Ole Miss's Lane Kiffin opts for a Rolls-Royce, the ultimate symbol of luxury and sophistication, reflecting his flamboyant personality and success in college football.
